**Limitations on "ATM/Debit Card" withdrawals:** A credit union member may make three (3) transactions a day at the credit union ATMs and nonproprietary ATMs. A credit union member may withdraw up to \$500 (if there are sufficient funds in the member's credit union account) per day. For purposes of the daily limit, a 24 hour period begins and ends at 6:00 pm at any authorized ATM. Offline withdrawal is limited to \$100. There are no limitations on the number or dollar amount of deposits you may make at any ATM MACHINE during its 24-hour operating cycle. **(if two ATM/Debit Cards have been issued for a single account, e.g. when a husband and wife each have a card for their joint account. We reserve the right to change these limitations, and we will give you written notice of any such change at least 21 days in advance.

**Responsibility for overdraft:** If you obtain cash from an AUTOMATED TELLER MACHINE, which creates a shortage in your account, the overdraft amount is due and payable the moment you receive your money. You agree to pay the full amount to us, together with an overdraft account charge per occurrence. You also authorize us, in such a case, to apply from any other share account any amount necessary to pay such overdraft. If the overdraft is created in your share draft account, (1) a transfer will be made from your other share account(s) to cover the overdraft, in accordance with your share draft account agreement with us, or (2) an advance on your line of credit loan account with us will be made to cover the overdraft, and you will pay that advance in accordance with the conditions of your line of credit plan, depending upon which form of overdraft protection you have selected. If there are not sufficient funds to make a transfer according to (1) or (2) of this paragraph, or if you have no overdraft protection for your share draft account, then such overdraft will be paid to us as provided in the first sentence of this section.

**Crediting Deposits and Payments:** Deposits or payments made in an AUTOMATED TELLER MACHINE whether in cash, check, draft or money order, are subject to verification, and the funds of such deposits and payments to share or share draft accounts may be held until they can be collected from the machine, verified and entered into our accounting systems. On average the holds will be (5) business days. A business day is defined as Monday through Friday, except federal holidays. If you place a check, draft or money order in the machine as a deposit or payment, it is subject to collection in accordance with your account agreement with us and Regulation CC.

**Foreign Transactions:** Purchases and cash advances made in foreign

countries and foreign currencies will be billed to you in U.S. dollars. Currently the currency conversion rate used to determine the transaction amount in U.S. dollars is either a government-mandated rate or the wholesale market rate in effect one day prior to the transaction processing date, increased by up to one-percent, along with a cross-border assessment fee of up to one percent. The currency conversion rate used on the processing date may differ from the rate that would have been used on the purchase date or cardholder statement posting date.

**Liability for unauthorized use:** "Unauthorized use" means the use of your debit card by a person, other than you, who does not have actual, implied, or apparent authority for such use, and from which you receive no benefit. However, if someone used your Card or PIN without your permission and you do NOT tell us within two (2) business days after you learn of the loss or theft of your Card or PIN, and we can prove we could have stopped someone from using your Card or PIN without your permission if you had told us, you could lose as much as \$500. Also, if a member does not tell the credit union within (60) sixty days after your statement was mailed, a member may be liable for the full amount of the loss. The credit union may extend these time periods for good cause.

## ATM/Debit Card Disclosure

### AUTOMATED TELLER MACHINE (ATM) Transactions:

If you have any ATM/Debit Card along with a Personal Identification Number (PIN), you can use it to make any or all of the following transactions at an Automated Teller Machine.

- Deposits to your Regular Share account and Share Draft account.
  - Cash withdrawals from your Regular Share account and Share Draft account.
  - Transfer of funds (non-cash) from your Regular Share account to your Share Draft account or from your Share Draft account to your Regular Share account, or from your Regular Share account or from your Share Draft Account to your Loan Account or Visa Payment account. (some networks may not allow all transaction types.)
- Verify balances in specified savings, share draft, or loan accounts that you have with us.

If you use an automated teller machine that is not operated by us, you may be charged a fee by the operator of the machine and/or by an automated transfer network.

**Illegal Use:** You understand and agree that you may not use any of our electronic fund transfer services for any illegal purpose.

**Point of Sale Transactions:** Your ATM/Debit Card may be used to purchase goods or services from merchants who have arranged to accept an ATM/Debit Card as a means of payment. If you have an ATM/Debit Card, it may be used to purchase goods and services from certain merchants. These merchants are collectively referred to as "Participating Merchants" and will display a logo or other symbol which identifies them as a merchant who will accept your ATM/Debit Card. Purchases made with your ATM/Debit Card, including any purchases where you receive cash back, are referred to as "point of sale transactions" or "POS" transactions. A POS transaction will cause your share draft account to be debited for the amount of the purchase. Only share draft accounts may be used in connection with point of sale transactions performed with your ATM/Debit Card.

**Documentation of ATM/Debit Card Transactions:** You may select a transaction receipt request at the time you make any transfer to, from, or between your account(s) using an AUTOMATED TELLER MACHINE, and each time you make a purchase using your ATM/Debit Card.
